

Managed IT Services

REDUCE IT COST AND MINIMIZE SECURITY RISK

Newtek Managed IT Services delivers the IT support and resources, right when and where you need them most. Whether you want to completely outsource your IT, or augment internal staff with support for specific projects or initiatives, Newtek will help you securely achieve your goals – all for a predictable monthly fee. As a result, you can simplify your technology management while freeing your resources to support other strategic projects.

Free Internal Staff to Tackle Other Business Needs

With Newtek on your side, your internal staff can be IT heroes with the added IT resources to address critical business priorities, fast.

Reduce IT Costs with a Predictable Monthly Fee

Newtek plans don't just "keep the IT lights on" but also optimize your technology to lower overall costs billed in one monthly fee.

Minimize Security Risk and Ensure Data Availability

Newtek will ensure sensitive data is secure and protected for reliable business continuity, even if the unexpected hits.

END-TO-END MANAGED IT SERVICES, FOR COMPANIES BIG AND SMALL

Newtek plans for Managed IT Services are designed to support companies of all sizes with the fully managed monitoring, management and support you need to ensure that you and your users remain productive, secure and happy. From proactive monitoring across your entire network to 24/7 help desk support and expert management for your servers, desktops and more, Newtek does all the IT heavy lifting so you won't have to. Focus on your core business, we'll take care of the technology.

Manage and Monitor Your Entire Network

Newtek's team of experts will ensure your sensitive data is secure and protected. We'll defend against cybersecurity threats, resolve performance issues and ensure your data is easily recovered in the event of a disaster.

Help Whenever You Need It, 24/7

Our Managed IT Services come standard with around-the-clock phone and email support, meaning we're here anytime you need help, day or night. Our expert team stands ready to support you with any technology issue no matter how big or small.

Predictably Cost Efficient

Newtek's offerings for Managed IT Services provide all the support you need in one predictable monthly fee. No more unexpected technology costs. Get all the advanced computing resources your software-driven business needs without budgetary surprises that can throw your business plans out of line.
